学习目标：先能在语境中正确理解；对熟悉的常用表达再尝试主动造句。不要因为“看着眼熟”而跳过例句。

A1｜熟词首先要选对义项

例句与译文均为自编；真题定位用于回看原卷。点击词名可查看词典释义与发音。

01 count 动词

卷面定位：2019 Text 2，解释成绩计算的段落。 义项核查：[D01]

理解：被计入；算数；有重要性。不要把所有用法都译成“数数”。

搭配：count towards the final mark；count as experience

① Only work submitted before Friday will count towards the final mark.

只有周五之前提交的作业才会计入最终成绩。

② A high score counts for little if the applicant cannot explain how it was achieved.

申请者如果不能解释自己如何获得高分，这个分数的意义就不大。

辨析：count the books 是数书；the result counts 是结果算数或有分量。先看有没有直接宾语，再看后面的介词结构。

---

02 practice 名词

卷面定位：2019 Text 2，对前述做法的回指。 义项核查：[D02]

理解：做法；惯例；实践；练习。本文定位处指一种既有做法。

搭配：a common practice；in practice；put an idea into practice

① It has become common practice for museums to offer free admission one evening a week.

博物馆每周有一个晚上免费开放，已经成为一种常见做法。

② The plan seems reasonable on paper, but it may be difficult to carry out in practice.

这个计划在纸面上似乎合理，但实际执行可能有困难。

辨析：a practice 可以指一种做法；practice 表示训练时通常不可数。英式英语中名词为 practice，动词通常写 practise。

---

03 transition 名词

卷面定位：2019 Text 2，说明新生适应的段落。 义项核查：[D03]

理解：转变；过渡；从一种状态进入另一种状态的过程。

搭配：the transition from A to B；make a smooth transition

① The transition from school to work is rarely completed on the day a student receives a diploma.

从学校走向工作的过渡，很少会在学生拿到文凭的当天就完成。

② Even experienced readers may need time to make the transition to reading on a smaller screen.

即使是有经验的读者，也可能需要时间适应在较小屏幕上阅读。

辨析：transition 强调过程；translation 是翻译；transaction 是交易。不要只凭词首和长度认词。

A2｜修饰对象与搭配决定词义

例句与译文均为自编；真题定位用于回看原卷。点击词名可查看词典释义与发音。

04 selective 形容词

卷面定位：2019 Text 2，列出例外院校的句子。 义项核查：[D04]

理解：有所选择的；筛选严格的。修饰学校时可指录取选择性强。

搭配：selective schools；be selective about what to include

① Selective schools may attract strong applicants before any teaching has taken place.

在任何教学发生之前，录取严格的学校就可能吸引到较强的申请者。

② A short review must be selective about the examples it discusses.

一篇短评论必须对所讨论的例子有所取舍。

辨析：selected 是“已被选中的”；selective 是“有所筛选的”。仅凭 selective 不能推出教学质量更好。

---

05 critical 形容词

卷面定位：2019 Text 2，描述课程重要性的句子。 义项核查：[D05]

理解：在 critical to 中表示关键的、至关重要的；另可表示批评性的。

搭配：be critical to success；be critical of a proposal

① Access to a quiet place is critical to students who cannot study comfortably at home.

对于无法在家舒适学习的学生而言，能使用安静的场所至关重要。

② The reviewer was critical of the book, although she admired its ambition.

评论者虽然赞赏这本书的雄心，却对它提出了批评。

辨析：critical to 与 critical of 不能混读。词的搭配先于熟悉的中文义；“批判性的思维”也不等于一味否定。

---

06 incur 动词

卷面定位：2019 Text 2，说明不利后果的句子。 义项核查：[D06]

理解：招致；产生或承担通常不利的后果，如费用、损失、处罚。

搭配：incur additional costs；incur a penalty

① Libraries may incur extra costs when they keep older recording equipment in working order.

图书馆在维持旧录音设备正常运转时，可能产生额外费用。

② Students should know whether withdrawing from a course will incur a fee.

学生应当知道，退课是否会产生费用。

辨析：incur 的主语通常是承受后果的一方；不等于获得奖励。拼写变化：incurred、incurring。

A3｜不要把几个不同指标混为一谈

例句与译文均为自编；真题定位用于回看原卷。点击词名可查看词典释义与发音。

07 subsequent 形容词

卷面定位：2019 Text 2，谈后续学习表现的句子。 义项核查：[D07]

理解：后来的；随后的。说明时间顺序，本身不表示因果关系。

搭配：subsequent changes；a subsequent edition

① The first edition contained several errors that were corrected in subsequent editions.

第一版有几处错误，这些错误在后续版本中得到纠正。

② A subsequent rise in attendance does not by itself explain why more people came.

之后到场人数上升，这件事本身并不能解释为什么来的人更多了。

辨析：subsequent 描述“之后”；consequent 更突出“随之产生的结果”。“先后发生”不自动等于“前者造成后者”。

---

08 retention 名词

卷面定位：2019 Text 2，谈院校评价指标的段落。 义项核查：[D08]

理解：保留；留存。在学生、雇员语境中常指使其继续留下。

搭配：student retention；staff retention；retention of information

① Flexible working hours may improve staff retention without changing the number of new recruits.

弹性工作时间可能提高员工留任率，而不改变新招聘人数。

② The course measures retention of information a month after the final class.

这门课在最后一节课结束一个月后测量知识保持情况。

辨析：招进来多少人与留下来多少人不是同一指标。retention 的具体中文义由被保留的对象决定。

---

09 qualified 形容词

卷面定位：2019 Text 2，谈毕业生能力的结尾。 义项核查：[D09]

理解：合格的；具备相应能力或资格的；也可表示有限度的、有保留的。

搭配：be qualified for a post；be qualified to teach；qualified support

① Applicants may be qualified for the post even if they have followed different career paths.

即使申请者走过不同的职业道路，他们也可能胜任这个职位。

② The reviewers offered qualified support: they welcomed the aim but questioned the timetable.

评审者给予了有保留的支持：他们赞同目标，却质疑时间安排。

辨析：a qualified teacher 是合格的教师；qualified approval 是有保留的认可。后者不是“有资格的赞成”。

A4｜把动机与例外读准确

例句与译文均为自编；真题定位用于回看原卷。点击词名可查看词典释义与发音。

10 incentive 名词

卷面定位：2019 Text 2，讨论各方动机的结尾。 义项核查：[D10]

搭配：an incentive to do something；provide an incentive

① Public recognition can give volunteers an incentive to remain with an organisation.

公开认可可以成为志愿者继续留在组织中的激励。

② A reward for speed may provide little incentive to spend time helping a confused customer.

奖励速度，可能几乎不能激励员工花时间帮助困惑的顾客。

辨析：incentive 不只等于奖金；阅读时要追问“激励谁、做什么”。不要只停留在抽象的“激励机制”。

---

11 align 动词

卷面定位：2019 Text 2，最后一句；第 29 题。 义项核查：[D11]

理解：使对齐；使目标、安排或利益相互一致或协调。

搭配：align A with B；be aligned with a goal

① The museum changed its opening hours to align them with visitors' working schedules.

博物馆调整了开放时间，使之与访客的工作安排相适应。

② Two organisations can align their priorities without becoming identical in every respect.

两个组织可以协调各自的优先事项，而不必在每一方面都完全相同。

辨析：试题中的局部释义不是永久同义公式。align 不能在所有句子中机械替换为“完全相同”。

---

12 save for 介词表达

卷面定位：2019 Text 2，列出例外院校的句子。 义项核查：[D12]

理解：除……之外；在总体陈述中排除一个例外。

搭配：save for + 名词短语；= except for（本义项）

① The reading room was empty, save for a student sitting beside the window.

阅览室里空无一人，只有一名学生坐在窗边。

② All the documents were available online, save for a few letters too fragile to scan.

除少数脆弱得无法扫描的信件外，所有文献都可以在线获取。

辨析：save money for a holiday 中 save 是动词；save for a few letters 中整个表达用于排除例外。

B1｜教育语境中的基础词

例句与译文均为自编；真题定位用于回看原卷。点击词名可查看词典释义与发音。

13 literacy 名词

卷面定位：2025 Text 1，开头及情感能力讨论。 义项核查：[D13]

① An adult literacy course may begin with the forms and notices that learners encounter every day.

成人读写课程可以从学习者每天接触的表格和通知入手。

② Digital literacy involves more than knowing which button to press.

数字素养不只是知道该按哪个按钮。

辨析：literacy 不是 literature（文学）。某领域 + literacy 往往说的是该领域的基本素养，具体范围仍由上下文说明。

---

14 approach 名词

卷面定位：2025 Text 1，介绍教学方式；第 21 题。 义项核查：[D14]

理解：处理某事的方法、思路或方式；另可表示接近。

搭配：an approach to doing something；take an approach

① The guide takes an unusual approach to local history by beginning with ordinary shopping receipts.

这本指南以普通购物收据为起点，用一种不同寻常的方式讲述地方史。

② A familiar approach to teaching adults may not suit children learning to read for the first time.

一种熟悉的成人教学方式，未必适合初次学习阅读的儿童。

辨析：approach to learning 中 to 是介词，后接 learning，不接 learn。不能从“方法新颖”直接推出“方法有效”。

---

15 commission 动词

卷面定位：2025 Text 1，交代研究委托方的句子。 义项核查：[D15]

理解：正式委托别人完成某项工作，如写作、创作或调查。

搭配：commission a report；commission someone to do something

① The publisher commissioned a historian to write a short introduction for younger readers.

出版社委托一位历史学家为年轻读者撰写一篇简短导言。

② A survey commissioned by a gallery need not have been carried out by its own staff.

画廊委托开展的一项调查，不一定由画廊自己的员工实施。

辨析：注意过去式 commissioned 可直接充当谓语。此处不是“委员会”，也不能自动等同于“亲自实施”。

B2｜从接触资源到使用资源

例句与译文均为自编；真题定位用于回看原卷。点击词名可查看词典释义与发音。

16 expose 动词

卷面定位：2025 Text 1，描述学校此前的接触经历。 义项核查：[D16]

理解：使接触；使置于某种影响之下。也可表示暴露或揭露。

搭配：expose somebody to something；be exposed to something

① The exhibition exposed visitors to forms of design that rarely appear in commercial shops.

这次展览让参观者接触到商业店铺中很少出现的设计形式。

② Students can be exposed to many books without being given enough time to read any of them carefully.

学生可能接触了很多书，却没有得到足够时间认真阅读其中任何一本。

辨析：接触不等于掌握。be exposed to 中的 to 是介词；接触什么，决定该表达是中性、有益还是有害。

---

17 sophisticated 形容词

卷面定位：2025 Text 1，描述词汇使用的段落。 义项核查：[D17]

理解：复杂而精细的；发展程度较高的；修饰人也可指老练的。

展览使用了精密技术，但说明仍然简单到初次参观者也能理解。

② A sophisticated argument can be expressed in familiar words.

一个精细复杂的论证，可以用常见词表达。

辨析：它不固定等于“困难的”或“晦涩的”。语言复杂程度、可读性与表达质量不是同一个维度。

---

18 draw on 短语动词

卷面定位：2025 Text 1，描述学生使用词汇的段落。 义项核查：[D18]

理解：利用已有知识、经验、资源；从中获取支持或素材。

作者利用家书，描写普通人如何度过夜晚。

② Experienced teachers draw on past lessons without assuming that every class will respond in the same way.

有经验的教师会借鉴以往课堂经验，但不认为每个班都会作出同样的反应。

辨析：draw on 强调使用什么资源；draw a conclusion 强调得出什么结论。draw 的过去式 drew，过去分词 drawn。

B3｜恢复、融入与重现

例句与译文均为自编；真题定位用于回看原卷。点击词名可查看词典释义与发音。

19 resilient 形容词

卷面定位：2025 Text 1，描述写作中的心理表现。 义项核查：[D19]

理解：有韧性的；受挫或受冲击后能够恢复、继续应对的。

搭配：a resilient learner；remain resilient

① A resilient reader can continue after an unfamiliar word instead of abandoning the whole paragraph.

有韧性的读者遇到生词后能继续阅读，而不是放弃整段。

② The small shop proved resilient during a difficult winter, although its sales did fall.

这家小店在艰难的冬季表现出韧性，尽管销售额确实下降了。

辨析：有韧性不等于从未受损。resilient 关注恢复与应对，不保证没有困难，也不是 resistant 的万能替换。

---

20 embed 动词

卷面定位：2025 Text 1，谈艺术融入教育的句子。 义项核查：[D20]

理解：嵌入；使某事成为更大系统或日常做法中的组成部分。

搭配：embed A in B；be embedded in something

① The editor embedded short explanations in the text rather than placing every note at the end.

编辑将简短解释嵌入正文，而不是把每条注释都放到文末。

② A reading habit is easier to describe than to embed in a crowded daily routine.

描述一种阅读习惯，比将它融入繁忙的日常安排容易。

辨析：embed 通常比简单的 add 更强调置入某个整体。拼写变化：embedded、embedding。

---

21 replicate 动词

卷面定位：2025 Text 1，最后一段讨论可推广性。 义项核查：[D21]

理解：复制；重复实现。研究语境中可指重复研究或重现结果。

搭配：replicate a result；replicate a study

在大城市成功举办的展览，可能难以在小镇上复制。

② The second team repeated the procedure but did not replicate the earlier result.

第二个团队重复了操作过程，却未能重现先前的结果。

辨析：重复流程与重复得到结果不是同一件事。replicate 的宾语不同，所要求实现的事情也不同。

B4｜描写、依赖与人物认同

例句与译文均为自编；真题定位用于回看原卷。点击词名可查看词典释义与发音。

22 expansive 形容词

卷面定位：2025 Text 1，对两类描写作比较的段落。 义项核查：[D22]

这本指南对市场作了充分描写，不仅涉及摊位，还包括声音和气味。

② Her expansive account covered details that the brief official notice left out.

她详尽的叙述包含了简短正式通知所省略的细节。

辨析：expansive 不是 expensive（昂贵的）。在写作语境中，重点可能是展开范围，而非人物性格外向。

---

23 rely on 短语动词

卷面定位：2025 Text 1，对照组写作表现的段落。 义项核查：[D23]

理解：依靠；依赖；信赖某人或某物。

小剧院常依靠志愿者完成那些大机构会交给受薪员工的工作。

② Readers cannot rely on a title alone to judge whether an article answers their question.

读者不能仅凭标题判断一篇文章是否回答了自己的问题。

辨析：依赖不自动是负面。负面程度往往由 solely、too heavily 等限定语，或由依赖对象和结果来体现。

---

24 identify with 短语动词

卷面定位：2025 Text 1，第 24 题选项中的表达。 义项核查：[D24]

理解：因能理解他人的处境或感受而产生认同、共鸣。

搭配：identify with a character；identify with someone’ s experience

① Readers may identify with a character whose circumstances are very different from their own.

读者可能与一个处境和自己十分不同的角色产生共鸣。

② It is possible to identify with a person’s anxiety without agreeing with every decision that person makes.

理解并共情一个人的焦虑，并不意味着赞同他所作的每个决定。

辨析：identify a person 是辨认一个人；identify with a person 是与其产生共鸣。认同感也不等于无条件赞同。

句子拆解：先确定关系，再翻译

以下均为自编句子，不是对真题原句的改写摘录。目标：读出主干、修饰范围与转折关系。

1｜名词之后的限定信息

Only the work that students submit during the course counts towards their final mark.

主干：Only the work counts towards their final mark。that 引导的从句限定是哪一部分 work。only 限定被计入的作业范围，不是修饰 students。

译文：只有学生在课程进行期间提交的作业，才会计入他们的最终成绩。

2｜过去分词修饰，不是第二个谓语

The report commissioned by the library examines why many first-time visitors never return.

主干：The report examines why …。commissioned by the library 修饰 report；why 从句整体充当 examines 的宾语。委托方与执行方不要混同。

译文：图书馆委托撰写的报告探讨了为什么许多初次到访者之后不再回来。

3｜否定范围与被动结构

Not all students exposed to unfamiliar writing styles are unwilling to continue reading.

主干：Not all students are unwilling …。exposed to … 修饰 students。not all 是并非所有，不是所有人都不愿意。

译文：并非所有接触到陌生写作风格的学生都不愿继续读下去。

4｜让步不取消事实

Although the new schedule incurred additional costs, it helped the museum retain volunteers who could not work during the day.

主干：it helped the museum retain volunteers。although 承认产生额外费用，同时引出另一项结果；who 从句限定志愿者。费用存在与帮助留住志愿者可以同时成立。

译文：虽然新安排产生了额外费用，但它帮助博物馆留住了那些白天无法工作的志愿者。

动笔检查

圈出谓语；用括号标出修饰成分；检查否定、范围词和转折。最终译文必须保留这些关系，不能只把关键词拼起来。

真题伴读｜读原文，不把背景当答案

阅读 A：2019 年英语一 Text 2

[S2] 卷面入口：Reading Text 2 / 第 26—30 题

先通读原文，再回看本册 01—12 词的出现位置。请区分：做法的定义、最初目的、后来各方的动机。第 29 题需要回到末句及其上文，不能只凭熟悉的中文释义选答案。[S2–S3]

回看任务：用自己的话写下每一处 this 或 this practice 指向什么；为第 27 题标出时间线索；为第 28 题标出院校得到好处的具体环节。不要把“现在可能有的动机”当成“最初目的”。

阅读 B：2025 年英语一 Text 1

[S4] 卷面入口：Reading Text 1 / 第 21—25 题

先看教学活动的具体内容，再看两组写作表现的比较。回看第 21 题时，区分“观看”与“参与”；回看第 23 题时，寻找被比较的描写特点，而不只看例子中的名词。[S4]

回看任务：圈出报告研究发现的句子，以及被采访者解释或推测的句子。第 25 题只依据末段判断；不要把一种可能性改写成已确立的普遍规律。

为什么还要核对背景来源

[S6] 研究组织方：Time To Act 项目介绍

RSC 的项目页面可以核对这项研究确实存在，并提供研究设计和结果背景。但扩展阅读中的额外信息不是试题给定信息，不能拿来替换试卷上的论据。[S6]

版本注意

本册使用可读重排版作为学习底本。已对照另一站点的 2025 年试题图片，其中可见拼写及转录异文，因此不把网络文本称作“官方原卷”。若与正式出版真题集的卷面有异，优先逐句核对。[S4–S5]

迁移阅读｜The Readers Who Stopped Coming

原创练习，非真题、非外刊报道；人物、机构与数据情境均为虚构。词数由程序统计。

[1] A town library was pleased with the number of people who signed up for its new reading club. Within a month, the list was full. The manager described the club as a success and proposed opening another. The volunteers, however, had noticed something that the membership figures did not show: many people came once and never returned.

[2] To understand the difference, the library commissioned a small survey. The people who had stopped coming rarely complained about the books. Several said that the discussion moved too quickly. Others could attend only after work and usually arrived late. One reader enjoyed listening but disliked being asked to give an opinion before she had finished the novel. None of these difficulties would have appeared in a record that counted registrations alone.

[3] The volunteers did not conclude that readers needed easier books. Instead, they changed the way meetings were organised. A short conversation in pairs came before the discussion with the whole group. Members could draw on a single passage rather than prepare comments on the entire book. Meetings began later, and reading guides were placed online. These changes incurred some additional costs, but they allowed people to take part in different ways.

[4] At subsequent meetings, more of the original members returned. The library was careful about what this meant. Since several arrangements had changed together, it could not tell which one had mattered most. Nor did a fuller room prove that everyone understood the books more deeply. Yet the members' accounts suggested that fewer people now felt they had nothing useful to contribute.

[5] The library still wanted to attract new readers, but it no longer treated recruitment as its only task. Volunteers began asking not just who had joined but who had stayed and what had made participation possible. A large membership list remained useful. It was simply an incomplete description of the club's life. Before trying to replicate the programme elsewhere, the manager wanted the next library to ask the same questions about its own readers.

全文约 334 词。词汇提示：registration 登记；recruitment 招募；contribute 贡献想法。

翻译：保留结构关系

T1. The report commissioned by the museum was critical of the assumption that longer visits always meant greater interest.

参考答案｜诊断与词汇练习

学习前诊断

1. 计入最终结果。此处是被纳入计算，不是“走向”。

2. 对……持批评态度。critical of 与 critical to 的意义不同。

3. 委托制作；gallery 是委托方，不自动是实际拍摄方。

4. 除……之外；钟声是整体安静中的例外。

5. 有保留的赞扬；不是无条件、全面的赞扬。

6. 利用、借鉴；此处资源是关于第一份工作的记忆。

练习 A

A01 align — align A with B，协调课程与空闲时间。

A02 subsequent — 修饰 meetings，说明先后顺序。

A03 save for — 把两封信排除在全部之外。

A04 selective — 强调筛选，不是已被选中。

A05 incentive — 名词；后面的 to return 说明所促成的行动。

A06 transition — from … to … 表示状态过渡。

A07 practice — 可数名词，一种常见做法。

A08 qualified — qualified to advise；证书本身不足以证明广泛胜任。

A09 count — 不及物：这些参赛作品不予计入。

A10 incur — 情态动词后用原形；产生额外费用。

A11 critical — critical to：对工作至关重要。

A12 retention — 衡量留任，不是招募数量。

练习 B

B01 commission / B02 literacy / B03 expose / B04 approach

B05 draw on / B06 sophisticated / B07 resilient / B08 embedded

B09 replicate / B10 expansive / B11 rely on / B12 identify with

B03：expose visitors to …；B08：were embedded 是被动形式，注意双写 d；B12：identify with 不等于辨认身份。

结构参考：expose readers to different writing styles；align the course schedule with learners’ needs。

订正时至少补写一条“为什么错”：词义、搭配、词形、句法或范围。只抄答案，不足以说明能在新句中使用。

参考答案｜阅读与翻译

迁移阅读：1 B · 2 D · 3 A · 4 C · 5 B

1 B：开头将报名人数与后续到场作比较。问题不是没有吸引新人，而是报名不能完整反映持续参与。A 与原文相反；C、D 未被给出。

2 D：时间、讨论节奏以及参与压力都是活动安排上的障碍。原文并未据此断言读者需要更短、更容易的书。

3 A：配对交流、降低整本书准备要求、调整时间，都是让不同读者能参与。B 与调整方向相反；C 无依据；D 与额外成本不符。

4 C：到场改善，但多个安排同时变化，无法确定哪项作用最大；也不能用人多直接证明理解更深。A、B 都把有限信息说成了确定结论。

5 B：全文从“报名”推进到“持续参与”。A 将活动安排问题偷换成书难；C、D 均不是作者提出的方向。

翻译参考

T1：博物馆委托撰写的那份报告，对“参观时间越长就总意味着兴趣越大”这一假设提出了批评。

要点：commissioned 修饰 report；was critical of 才是主要谓语；always 必须保留，不能弱化成“有时”。

T2：只有参与者能够融入日常安排的活动，才有可能持续下去。

要点：that 从句限定 activities；only 限定范围；likely 表示可能性，不能译成必定。

T3：虽然回来参加活动的读者增多了，但调查并未确定究竟是哪项改变促使他们这样做。

要点：did not establish 否定的是确定原因，不是否定回来的人增多。do so 回指回来参加活动。

D｜迁移阅读全文双语对照

The Readers Who Stopped Coming 为本册原创练习，不是真题或外刊原文。下面按段落对照。

English	中文
[1] A town library was pleased with the number of people who signed up for its new reading club. Within a month, the list was full. The manager described the club as a success and proposed opening another. The volunteers, however, had noticed something that the membership figures did not show: many people came once and never returned.	[1] 一家镇图书馆对报名参加新读书会的人数感到满意。不到一个月，报名名单就满了。经理把读书会称为一次成功，并提议再开一个。然而，志愿者注意到了会员数字没有显示出来的一件事：很多人只来过一次，此后再也没有回来。
[2] To understand the difference, the library commissioned a small survey. The people who had stopped coming rarely complained about the books. Several said that the discussion moved too quickly. Others could attend only after work and usually arrived late. One reader enjoyed listening but disliked being asked to give an opinion before she had finished the novel. None of these difficulties would have appeared in a record that counted registrations alone.	[2] 为了弄清这种差异，图书馆委托开展了一项小型调查。那些不再来参加活动的人很少抱怨所读的书。几个人说讨论进行得太快；另一些人只能下班后参加，因此通常会迟到。一位读者喜欢听别人讨论，却不喜欢在自己还没读完小说时就被要求发表看法。如果记录中只统计报名人数，这些困难一个也不会显现出来。
[3] The volunteers did not conclude that readers needed easier books. Instead, they changed the way meetings were organised. A short conversation in pairs came before the discussion with the whole group. Members could draw on a single passage rather than prepare comments on the entire book. Meetings began later, and reading guides were placed online. These changes incurred some additional costs, but they allowed people to take part in different ways.	[3] 志愿者并没有因此断定读者需要更容易的书。相反，他们改变了活动的组织方式。全体讨论之前先安排两人一组的简短交流；成员可以围绕一个段落展开，而不必为整本书准备评论；活动开始得更晚，阅读指南也被放到了网上。这些改变带来了一些额外成本，但也让人们能够以不同方式参与。
[4] At subsequent meetings, more of the original members returned. The library was careful about what this meant. Since several arrangements had changed together, it could not tell which one had mattered most. Nor did a fuller room prove that everyone understood the books more deeply. Yet the members' accounts suggested that fewer people now felt they had nothing useful to contribute.	[4] 在后续几次活动中，更多原来的成员回来了。图书馆对这一现象的含义保持谨慎。由于几项安排同时发生了变化，它无法判断究竟哪一项最重要。活动现场人更多，也不能证明每个人对书的理解都更深入。不过，成员们的反馈表明，现在觉得自己“没有什么有用内容可贡献”的人变少了。
[5] The library still wanted to attract new readers, but it no longer treated recruitment as its only task. Volunteers began asking not just who had joined but who had stayed and what had made participation possible. A large membership list remained useful. It was simply an incomplete description of the club's life. Before trying to replicate the programme elsewhere, the manager wanted the next library to ask the same questions about its own readers.	[5] 图书馆仍然希望吸引新读者，但不再把招募新人视为唯一任务。志愿者开始关注的不只是“谁加入了”，还包括“谁留下来了”以及“什么条件让参与成为可能”。一份很长的会员名单仍然有用，只是它并不能完整描述读书会的实际运行情况。在尝试把这一项目复制到其他地方之前，经理希望下一家图书馆也先对自己的读者提出同样的问题。
